## 2010: OUR DAYS OF

# HEAVEN UPON THE EARTH

Pastor Nkechi Ene

When you think of heaven what comes to your mind? Take a minute to think on the answer. I imagine you would say things like: plenty, seeing your loved ones again, a place of peace, limitless life as God has it, prosperity, and health. Do these come to mind when you think of heaven?

18 Therefore shall ye lay up these my words in your heart and in your soul, and bind them for a sign upon your hand, that they may be as frontlets between your eyes.

19 And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.

20 And thou shalt write them upon the door posts of thine house, and upon thy gates:

21 That your days may be multiplied, and the days of your children, in the land which the LORD sware unto your fathers to give them, **as the days of heaven upon the earth.**

Deuteronomy 11:18-21 [KJV]

"... The days of heaven upon the earth." Is that possible? That's a strange thought. The days of limitless life upon the earth? The days of peace and prosperity upon the earth? The days of plenty and abundance upon the earth? Surely, those days must be in the future, they must be in the Millennium must be when Jesus comes back. They can't be now. Or can they? I asked you what you thought of when you think of the word, "heaven," and I know you thought of wonderful things. Those words for you refer to heaven. Those are words that define heaven.

But Deuteronomy 11:21 says, "...Days of heaven upon the earth. Someone says, "Well, it's the Old Testament; it's not the New Testament." Well, recite the Lord's Prayer. "Our father, who art in heaven, hallowed be thy name thy kingdom come..." We grew up saying the Lord's Prayer. But let's get out of religion and let's hear what we are saying. "Thy will be done on earth as it is in heaven." It tells me that anything you see in Heaven is the will of God. Plenty, purity, peace, abundance, loving relationships all form part of the will of God. Since it says, "Thy will be done on earth as it is in heaven," it means it's possible to experience the fullness of the will of God here on Earth. Is it really possible to have limitless life, plenty, prosperity and abundance upon the earth? And if so, how can these things be?

### The Days of Declaration

The days you have walked into are the days of declaration. They are days in which they shall no longer say, "It is only Pastor that prophesies." The days have come when you will prophesy because these are the days of your declaration.

18 Therefore shall ye lay up these my words in your heart and in your soul, and bind them for a sign upon your hand, that they may be as frontlets between your eyes.

19 And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up.

Deuteronomy 11:18-19 [KJV]

By your declarations, you will see the will of God as it is in heaven being established here on earth. Haven't you read the prophecy of Joel which says, "And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy..." [Acts 2:17]. If you're a son or you're a daughter, these are the days of your declaration. These are the days for you to open your mouth. Enough of being silent, enough of been quiet and getting kicked around by the enemy. Declare these words: "Thy will be done here on earth as it is in heaven. Thy plenty be seen here on earth as it is in heaven. Thy peace be seen here on earth as it is in heaven. Thy prosperity be seen here on earth as it is in heaven. The fullness of health and long life be seen here on earth as it is in heaven!"

### The Days of Dominion

16 The heaven, even the heavens, are the LORD's: but the earth hath he given to the children of men.

Psalms 115:16 [KJV]

These are not just the days of declaration these are also the days of your dominion. The heaven, even the heavens belong to the Lord, but the earth He has given to the children of men. Listen to me and listen to me real good. Lily livered, cowardly, fearful believers will not

see the will of God as it is in heaven on earth in their lives.

When the Bible says in Psalm 115:16, "...the earth hath been given to the children of men," it means that in the same way Local Government Areas are shared, or the way states within a country are created, so also God shared and divided heaven and earth. He said, "The heaven is mine; the earth is yours." Simple. It means that right now you have no business in heaven. If you go to heaven now, you're going early. If you go to heaven now you are going too early. You will be like the Chairman of a Local Government Area who abandoned his district. Heaven is God's business for now. It is not your business; your business is here on earth. Dominion is what you've stepped into. When a little girl wants to play house she takes a little pot and she makes some small soup. All she's doing is reproducing what she saw her mother doing in the kitchen. Whether it's a ₦500,000 Barbie house or a mud house in the village, any kind of doll house a little girl has, what she's doing is reproducing what she saw mummy do in the kitchen. That's what you're to do here on earth. You are to reproduce what you know the Father is doing in His own area. You're an 'Area boy' and 'Area girl', 'Area papa' and 'Area mama'!

These are days of declaration, days of dominion and...

### The Days of Distinction

You need declaration because it's through your declaration that your dominion will be seen on earth. If negative things are happening and you just go ahead saying, "What's gonna be's gonna be," then it will be. But I believe that is not what you're going to do. You are going to declare heaven upon the earth and your dominion will show forth.

Genesis 47:27 says, "And Israel dwelt in the land of Egypt, in the country of Goshen; and they had possessions therein, and grew, and multiplied exceedingly."

Goshen was in the land of Egypt. Later on, the land of Egypt became plagued with leprosy, boils, all kinds of biting insects, darkness and all other diseases [Exodus 8:22; 9:26]. But in the midst of them all, the children of Israel that dwelt in Goshen were safe. This is because God was making a distinction between the righteous and the unrighteous.

When your dominion shows forth there it will bring about a distinction between the righteous and the unrighteous. Those who will make declarations are those who will take their dominion then the resultant effect will be a differentiation. God will distinguish between you and the unbeliever. God will distinguish between you and even the believer who will not make declarations and take his dominion. This will happen because in your life there will be heaven upon the earth.

I declare to you that these are the days of your triumphant procession.

The Scripture says, "That your days may be multiplied, and the days of your children, in the land which the LORD swore unto your fathers to give them..." [Deut 11:22]. There is a generational transfer of good and of blessing. I don't know anything about generational curses. What I prophesy and give to you is generational blessing. It's not what the economy is saying that matters, it's what you are saying, what Christ is saying that matters. We want to bury evil and bury plagues and come out on top. And that is your portion in the Name of Jesus.

### Prophecies

The moment you step into places which before now were rotten and only good for the dustbin, it shall change in the Name of Jesus. For the Word of God says darkness cannot comprehend light. For the days of light are here and we stand for light. And when light comes darkness flees. It's a triumphant procession and you are the one who will do the procession. The Bible says, "When those days come." When, not if. It will surely come. Multiplication will surely take place. We are tired of minus and addition. We have gone to geometric and multiplication level in the Name of Jesus.

In the place where you have crawled before you will not only walk, you will not only skip but you will run in the Name of Jesus. In the days of heaven upon the earth, there shall be acceleration. The thing that took people one month or one year to accomplish will take you one second to accomplish in the Name of Jesus. The new word in your vocabulary will be, "in the twinkling of an eye." In the twinkling of an eye, in a moment your confirmation will take place, because we are in the days of heaven upon the earth. You will do what ordinary men cannot do. You will do what Elijah did when he outran the chariots – the best chariots of his days. This is because the days of heaven upon the earth, are the days of acceleration. People will say concerning you, "Did you not see that small boy who came to build this house in the village?"

Those same people will say to you, "Ah! We thought this other boy was making more progress than you, where did you come from?" You have overtaken them. You have pursued, you have overtaken and you have taken back your possessions. It's because the wind blows where it wills, nobody knows where it's coming from or where it's going. So shall your testimony be. Suddenly, they will not know where you are coming from or where you are going but they will feel your impact and when your impact comes forth, your impact shall be in good things and the good things which you will do and accomplish will not be because you're seeking the glory of man, not because you're seeking chieftaincy titles not because you're seeking for honorary degrees, even when honorary degrees come after you, you will reject them because your focus is the Lord and to represent heaven upon the earth.

When the Spirit came upon Saul and he began to perform and prophesy, they said, "Saul has become another man." You will become another man. They will say, "How old is he?" It's not a matter of age, for the age of Methuselah has nothing to do with the wisdom of Solomon. For when the wisdom of Solomon was in manifestation, even the Queen of Sheba came from the east and learnt before Solomon. They shall come from far and wide and they shall learn from you and when they come and learn from you indeed you will declare to them, "heaven upon the earth."

Your cattle will multiply, your silver will multiply, your bronze will multiply. Everything that is good will multiply unto you. Laughter shall come to you again. For this is the Word that was spoken, "Are these not the sons of Zion?" For when the Lord turned again the captivity of Zion, they are like them that dream. Yes! It's a dream and you will never come out from out of it because you will see and continue to see the results of the dream in the Name of Jesus.

Your cattle will multiply, your bronze will multiply. Everything that is good will multiply unto you. Laughter will come to you again!

You may have all kinds of pains, all kinds of infirmity but you will not be moved by that, rather you will be moved by the Word which you're hearing now. You will declare: "These are the days of heaven upon the earth in my life," and right before your very eyes, boils will disappear, calamity will disappear, and plagues will disappear. The things that people have prayed about, for years, will just go in the twinkling of an eye in the Name of Jesus.

If I were you I would dance! For there shall be dancing and rejoicing in the Name of the Lord. Halleluiah! People will watch and say, "He's not even dancing to rhythm." What they don't know is that there is rhythm in your heart and the rhythm in your heart is inspired by the Holy Ghost in the Name of Jesus Christ. These are the days of divine advantage. When those who are not ordained see you, they will not even have the strength to run after you but those who are ordained will say, "this is the advantage that the Lord spoke to us about", and they will run after you and together we will win.
